Real photo of the finish (solid wood)

MD gloss / matt lacquered

National walnut, Paduk, Cedar, Olive tree: in surcharge.

Brushed ash lacquered matt: white or black. Other colors in extra charge.

MD veneered, lacquered, opaque or glossy: any essence or color at extra charge.

NB: all the solid wood essences are in the natural color, which could change over the years, and in a manner dependent on exposure to light; made by automatized cad / cam machining, thickness mm20, removable, reworkable (if not lacquered), with wooden material of the best quality, selected and stabilized. Guaranteed processing, triple coating, fire retardant, environmentally friendly, water repellent with health certification, CE and UL standards.
